

CITY OF CAPE CORAL  
PUBLIC WORKS DEPARTMENT

February 3, 2003

Mr. William T. Cornish  
Underwater Solutions Inc  
Municipal Diving Services  
P. O. Box 208  
Mattapoisett, MA 02739

Dear Bill,

I have found your report to be professionally done and easy to read. Your photos in the report are excellent and we will follow your recommendations.

We want to thank you and let you know that we deeply appreciated your kind words regarding our organization, management and staff at the RO Plant.

Yours truly,

A handwritten signature in black ink, appearing to read "S. P. Kopko". The signature is fluid and cursive, with a long, sweeping underline that extends to the right.

S. P. Kopko, Water Production Superintendent  
Cape Coral Reverse Osmosis Plant
