GLOUCESTER • MASSACHUSETTS • 01930

ENGINEERING DEPARTMENT

22 Poplar St.

Gloucester, MA 01930

(978) 281-9773

February 7, 2000

To Whom it May Concern:

Underwater Solutions, Inc. of Mattapoisett, Massachusetts has undertaken numerous projects for the City of Gloucester in recent years including repairs to the outfall pipe for the wastewater treatment facility, cleaning and inspection of finished water storage tanks and a combined sewer overflow discharge pipe, and repairs to reservoir gatehouses and intake structures. The City has found their work to be satisfactory and will continue to use their services in the future as the need arises.
